Sharon left Hollywood at the height of her success (guest-starring in over 20 top television shows & co-starring in several films) to pursue a "Higher Purpose." Believing that she had found the true way to serve God through a channelled spirit named Abraham and the New Age "bible" known as, *A Course in Miracles*, she intended to teach these popular Law of Attraction and New Thought philosophies. After incredible loss, (including the suicide of one of her New Thought students) Sharon saw the real consequences of sin and the true teachings of the Bible. Now a certified Catholic catechist and a regular guest on *Catholic Answers Live Radio*, Sharon is heard world-wide via EWTN.
