

Prayer to the Holy Face of Jesus

Lord Jesus, the image of the man on the Holy Shroud of Turin is a graphic testimony to the Scriptural account of your Passion & Death. It is our hope to honor you with a permanent center in San Antonio dedicated to the Holy Shroud, so that many will come to a greater understanding of your Passion, which you endured out of love for us.

Jesus, be our guide and our inspiration as we proceed with this project. Help us to discern your will in this undertaking and show us how to make this center a reality. We pray that you will bless this effort, and that what we do will be done for your greater honor and glory.

Amen.
