Answering Christ's call,
we guide people to encounter Him
so as to live in hope, as pilgrims in daily life.

MINISTRY of CONFERENCES
Advertise for A Great Cause ... and Impact Thousands!

Each year, our non-profit ministry organizes exciting conferences in San Antonio to teach, inspire, and challenge men and women to live their unique dignity as children of God. Since our Ministry of Conferences began in 2001, we have seen thousands of individuals' and families' lives transformed!

I am empowered, hopeful and grateful. - *Gloria*

I'm a new father. That's a big part of my life right now... It really hit home for me whenever (the speakers) were talking about family, love God, love your wife, love your kids. I really want to put that into our life. - *Jordan*

The urgent need:

Producing these annual conferences costs the Pilgrim Center of Hope approximately \$200,000 every year! This is a high expense for our small, non-profit organization existing on private donations. Because we strive to offer these conferences without financially burdening attendees, we are asking for your help as a conference advertiser.

How can your organization/business benefit?

- Thousands of men and women will witness your support for their journey toward hope, in a local setting.
- Attendees will be encouraged to patronize your organization.
- Many report keeping their conference booklet as a daily companion.
